Re: Letter of Thanks and Appreciation

We would like to express our deep thanks and heartfelt appreciation of your efforts and your contribution.

Your donation of rich and nourishing hot meals constituted a very important link in the anti-drug and alcohol program for Ethiopian teen boys at risk who have dropped out of school.

The food helped us to effect a pleasant atmosphere for our activities, along with the concern for providing the basic needs which are not met in the young men's homes.

On behalf of the lads and the staff, we are extremely grateful for your giving, devotion and initiative.

May you go from strength to strength!

Sincerely yours,

Social Worker Revital Amos
