**LETTER of THANKS**

The ENOSH "family," administration and members thank you from the bottom of our hearts for your generous contribution of a complete and tasty Seder meal for Passover for members of the ENOSH club in Ashdod.

There is no doubt that there are many good people backing up your generous gift, people who have made it their way of life to provide help and support for the needy.

Thank you for your smile and your attention.

May there be many more people like you!

Thank you,
